Exodus 1:1-8,

Romans 8:18-21

1. Read Exodus 1:1-8. What are some observations you see that you can share with your Community Group?
2. Using two quotes from Bono to illustrate, Kevin said, *“Two liberations are needed, the external and the internal. And both are true for Bono and for you and me.”* Discuss how both an external and internal liberation might apply to you personally.
3. What difference does it make for us to understand that Exodus is a continuation of Genesis and that Exodus is fundamentally about you and me?
4. The New Testament gospel writers refer often to Exodus. How did Jesus’ life and work ultimately fulfill the promise of Exodus?
5. Read Romans 8:18-21. How does the reality of a coming day when all of creation will be redeemed and restored provide encouragement for us today?
6. Kevin said, *“Exodus is about getting out of Egypt and getting Egypt out of us.”* How does this help us understand our Rule of Life and our apprenticeship to Jesus?
7. What comes to mind when you think about an area of your life where you need liberation “from Egypt”?
8. How might your Community Group help you realize more and more the liberation and renewal that God offers you today?
