Exodus 13-14

1. Have you ever experienced a situation where you felt trapped and saw no way out? How did you handle it?
2. What does it mean to you to "stand firm" in your faith during difficult times?
3. How can we remind ourselves to trust in God's plan when it doesn't make sense to us?
4. In what ways have you seen God make a way for you in the past?
5. How can we support each other in our community group when someone is going through a "Red Sea" moment?
6. What are some practical steps we can take to "be still" and wait for God's deliverance?
7. How does the story of the Exodus encourage you in your current life circumstances?
8. What are some areas in your life where you need to let go of fear and trust God more fully?

Take Home Challenge

This week, identify one area in your life where you feel stuck or overwhelmed. Spend time in prayer, asking God to help you trust in His plan and to show you the next step forward. Share this area with a trusted friend or Community Group member and ask

them to pray for you as well. Take a small step of faith, even if it seems insignificant, and trust that God is making a way for you.
