

CONTRIBUTION WEEK 1 FAMILY GUIDE: RENEWAL OF SELF

Color in the fruit below, and as you do,
pray that God continues to grow the
fruit of the Spirit within you.

Put a star next to the ones
that you have seen God
growing in you lately.

What are some things you
want God to change or
grow in you?

LOVE

KINDNESS

JOY

GOODNESS

PEACE

FAITHFULNESS

PATIENCE

GENTLENESS

SELF CONTROL

**Circle the things that motivate
you to serve, and be honest:**

I want to be seen by others.

I want to reflect God's love
to others.

I feel like I am supposed to.

I want to learn and grow.

I want to feel better about
myself.

I know it's the right thing to do.
