

LESSON 13: PSALM 73

- I. GOD IS GOOD???
 - II. GOD IS SO GOOD!
- Psalm 73:1-14
Psalm 73:15-28

Truth #1: I'm on slippery ground if I think "GOD IS GOOD" means God owes me "THE GOOD LIFE."

Truth #2: Simply God is simply good!

Notes:

A good, even Godly desire, can slip into becoming my god, displacing my desire for God alone.

Sometimes God has to delay or dismantle my lesser desires, before He can become my one desire!
